CERTIFICATE IN ESTHETICS IN COSMETOLOGY

The Esthetics in Cosmetology program, jointly delivered by the Continuing Learning Center, the Faculty of Sciences at the Holy Spirit University of Kaslik, and Riviera Cosmetics Sarl, aims to provide students with the appropriate knowledge and training to be able to evaluate cosmetic products based on their composition, analyze skin types and conditions, and suggest and perform skincare treatments. Furthermore, this certificate will offer students basic concepts of the management of a business in esthetics and cosmetology.

WHO IS THIS PROGRAM FOR?

This certificate is suitable for individuals from different backgrounds:

- People wishing to enter the esthetics profession.
- Individuals already practicing esthetics and wishing to upgrade their career level and extend it to skincare and skin treatments.
- People that are enthusiastic in esthetics and cosmetics wishing to deepen their knowledge in the field.

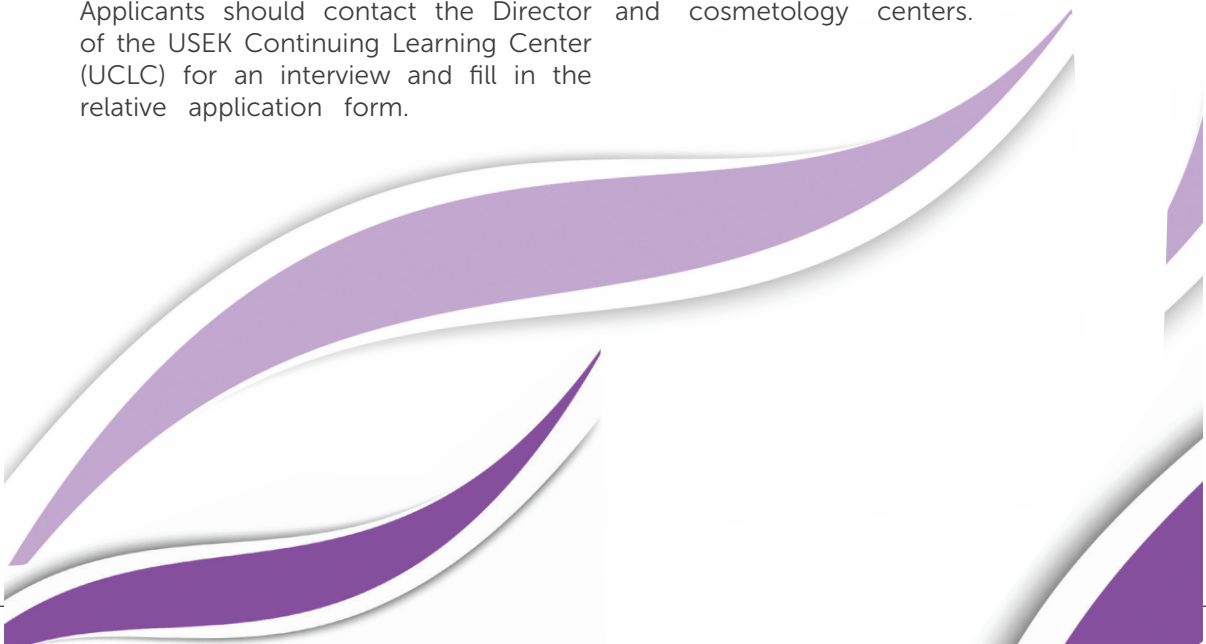

WHAT ARE THE ADMISSION REQUIREMENTS?

Applicants for Esthetics in Cosmetology should be a holder of the Lebanese Baccalaureate or an equivalent diploma. Applicants should contact the Director of the USEK Continuing Learning Center (UCLC) for an interview and fill in the relative application form.

WHAT WILL YOU LEARN?

The Esthetics and Cosmetology program is composed of 5 component parts totaling 60 hours, including 15 internship hours in well-known beauty and cosmetology centers.

COURSE BREAKDOWN

COSMETICS | 15 HOURS

This course trains students to understand and evaluate cosmetic products and their development. Focus will be placed on the purpose and action of advanced ingredients. Having an understanding of the composition of skin care products will enable the students to understand how these products react on the skin. Students will thus be able to recommend products for their clients.

DERMATOLOGY | 10 HOURS

This course introduces the students to basic knowledge of the human body and applied dermatology, which allows them to analyze skin types, suggest appropriate beauty regimens and perform skin care treatments.

ESTHETICS | 15 HOURS

This course equips students with the knowledge, skills and attitude to work in a wide range of capacities throughout the beauty and health industry. Students will learn to perform complete facials and skin treatments. The course teaches techniques and resources to use in order to meet clients' needs for specific care. Students will develop proficiencies in skin care.

MANAGEMENT | 5 HOURS

This course offers students the basic techniques to prepare a business proposal, the quality attribute relevant to it, in addition to the methods of costing and pricing of products and services.

INTERNSHIP | 15 HOURS

Cosmetics Training allows students to evaluate products and apply them based on a client's age and skin tone.

Skincare Training allows students to recognize and apply the recommended steps to properly care for and maintain youthful skin, such as washing, toning, moisturizing and resurfacing.

Sales Training allows students to utilize different sales techniques using the right arguments and commercial reasoning while avoiding common commercial mistakes.

To qualify for the Esthetics in Cosmetology certificate, students must successfully pass all the above courses with a minimum average of 60/100.
