

ETHICAL ISSUES TABLE

(Adapted from EU proposals forms and based on CNRS-L Charter of ethics and guiding principles of scientific research in Lebanon)

Research on Human embryo/foetus		YES/NO
Does the proposed research involve Human Embryonic Stem Cells (hESCs)?		
Does your research involve the use of human embryos?		
Does your research involve the use of human foetal tissues / cells?		

Research on Humans		YES/NO
Does your research involve human participants?		
Does your research involve physical interventions on the study participants?		
Does it involve invasive techniques?		

Human Cells/Tissues		YES/NO
Does your research involve human cells or tissues? If your research involves human embryos/foetuses, please also complete the section "Human Embryos/Foetuses"		
Does your research involve personal data collection and/or processing?		
Does your research involve further processing of previously collected personal data (secondary use)?		

Research on Animals		YES/NO
Does the proposal involve research on animals?		

Research Involving Other Countries		YES/NO
Does the proposed research involve other countries?		
Is your research partially or totally supported by external funds?		

Environment Protection		YES/NO
Does your research involve the use of elements that may cause harm to the environment, to animals or plants?		
Does your research deal with endangered fauna and/or flora and/or protected areas?		
Does your research involve the use of elements that may cause harm to humans, including research staff?		

Dual Use	YES/NO
Does your research have the potential for military applications?	

Misuse	YES/NO
Does your research have the potential for malevolent/criminal/terrorist abuse?	

Other Ethics Issues	YES/NO
Are there any other ethics issues that should be taken into consideration? Please specify	
Is there any survey included in the research? (if yes join your survey questionnaire mentioning the intellectual property of this questionnaire)	

I confirm that I have taken into account all ethics issues described above and if any ethics issues apply, I have attached the required documents.
