

SAMAR AZZI ACHKOUTY

Samir received her B.S. in Agriculture Engineering from USEK, and her PhD. in analytical Chemistry from Agro Paris Tech France. As well as being the Director of the Laboratories at USEK, and a full time teacher at the Faculty of Agriculture and Food Sciences since 2008, Samir is also Chair of the awarding winning Green Committee at USEK. In this capacity, her interest in sustainable practices for universities and homes has developed into a practical passion she would like to share with the community.
