LEBANON, YOUR NEXT DESTINATION!

Standing at the crossroads of history and geography, Lebanon is a cosmopolitan country and a model of diversity and openness to the world. It is a place where you will soon feel at home thanks to the hospitality embedded in the Lebanese culture. This many faceted country offers you the opportunity to enjoy four climates through the year, unlike any other in the region. Despite its small size, Lebanon has a varied range of places where you can do exciting, relaxing and leisure activities: Snowy mountains in winter, hot gold beaches in summer, and not forgetting its diverse nature. Also known for its famous museums, historical sites, cultural and music festivals, Lebanon offers a vibrating cultural life that would take your breath away!

An Ideal Location!

USEK campus is located in Kaslik - Jounieh, 25 km north of Beirut. Jounieh is known for its seaside resorts and its amazing nightlife, as well as its old stone souk, and the "cable car", which takes passengers up the mountain to the shrine of Our Lady of Lebanon in Harissa offering an incredible view over the Bay of Jounieh. The perfect location to enjoy your Lebanese experience to its fullest.

A GLOBAL AND COMMITTED UNIVERSITY

A global university

USEK aims to provide its students with the best opportunities to become global citizens. To be sure that all USEK students are internationally aware, USEK is bringing the international to its campus through an internationalized curriculum, international collaboration, recruitment of international students and faculty, internationalized research, co-curriculum activities, and through its language policy.

Worldwide connections

USEK has more than 140 partner universities around the world and strongly encourages student mobility. The list of USEK partner universities is available on <http://www.usek.edu.lb/en/International-Affairs/Agreements-and-Collaborations>.

Let's go green!

USEK's ambition is to transform the university campus into a model of environmental responsibility in the Middle East. In this respect, USEK has ranked Number 1 Green University in Lebanon for three consecutive years.

HIGH-END EDUCATION

USEK is committed to providing its students with an excellent learning experience by focusing on teaching and learning, quality assurance, research, campus life and facilities. USEK has incorporated e-learning to support student learning, and has provided its faculty with a professional certification in teaching and learning from reputable institutions such as Norwich University, the Universities of Chester, Texas in Austin, Oklahoma and Dee Fink and Associates.

A DYNAMIC STUDENT LIFE

On Your Marks, Get Set...

Need to move, relax, avoid the illnesses of a sedentary lifestyle, and develop your team spirit?

Since the University is keen on emphasizing the culture of the body as well as that of the mind, it also offers students a broad choice of sports activities. The program includes: basketball, volleyball, football, tennis, table tennis, oriental dance, yoga, skiing, etc. In addition, USEK has several sports teams which take part regularly in competitions among universities, as well as in national and international championships.

USEK is classified among the best universities in Lebanon and the region, winning several championships all around the world!

A Vibrant Community!

USEK cultivates a strong feeling of belonging among its students, thanks to its welcoming student life and the multiple services it offers them. Hence, outside the framework of courses, student life in USEK takes several shapes and offers new occasions to develop new competences and knowledge and build a large network of contacts: a student magazine, social associations, pastoral work, cultural trips, student parties, etc.

Passionate and Gifted Students

Highly engaged in extracurricular activities as well as academic pursuits, USEK students participate continuously in a variety of national and international competitions challenging convention and demonstrating standards of excellence.

International Students at Home

USEK organizes gatherings and activities on campus for its international students and also proposes tourist tours and visits to the most important sites in the region.

Activities and events are also arranged in order to encourage international and USEK students to mingle together and share new experiences.

International students are invited to join the "Be-a-Buddy" Program in which each international student is paired with an USEK student who would help and accompany them throughout their stay.
