

## YOUSSEF DERGHAM

A mosaic artist specializing in the creation of contemporary mosaics, Youssef holds a degree from the Faculty of Fine and Applied Arts of the Holy Spirit University of Kaslik (USEK), where he also teaches mosaics at the Department of Sacred Arts. His life passion is to share his creations with others and his main tool is the pincer, which allows him to cut the mosaic into pieces that fit precisely in order to create a perfect piece of work. He is also the Director of the Center for Oriental Churches' Heritage Conservation (Beit Gazo) in Daroun - Harissa and heads the Department of Manuscripts at USEK.
